Product Description

The Green Beaver Company Sensitive Aloe Exfoliant has been relaunched with a new product name (previously known as Aloe Vera and Bamboo Sensitive Aloe Exfoliant), and is now available in a newly designed 60ml pack, bearing the Ecocert Organic Cosmetic logo. It is described as a refreshing, gentle exfoliant, specially formulated for sensitive skin and suited for acne-prone skin. It has soothing organic aloe vera combined with ultra-fine bamboo fibers, claimed to gently remove dead skin cells without causing scratching, and purifying grapefruit, said to gently dissolve excess oils and help unclog pores, without the drying effect of harsh synthetic soaps, leaving the skin feeling clean, fresh and balanced. The vegan, biodegradable product contains 99% of total ingredients from natural origin and 82% from organic farming. It is free from plastic micro-beads, sodium lauryl sulfate, petrolatum, silicone, artificial fragrances, dyes, phthalates, PEGs, parabens, gluten, cruelty and GMOs.
